RACNA 25
Treasurer's Report
12/08/18

Good Afternoon Everyone,

I now have all budgets in the RACNA 25 Financial records, so Thank you everyone for getting them in!!

There has only been 1 financial transaction since the last RACNA meeting, which was the \$134.00 from old Merchandise sold by the Merchandise committee. This leaves an ending bank account balance of \$2185.00.

The RACNA Paypal account is up & running. I forwarded 1 online Registration that was purchased to the Registration chair. I am unable to link the RACNA bank account to the Paypal account because it requires you to immediately verify 2 small deposits, which cannot be done because we don't have access to an online bank account. Therefore, I must electronically transfer the monies to the RACNA bank account as they come in from Paypal. As soon as the 1st transfer is cleared, I will post it to our check register. It will be for \$14.26 (\$15.00 minus \$.74)

I'd like to personally thank my Alternate Treasurer for taking an active role in handling all RACNA 25 Financial business in my absence. She has done an Amazing job!!

Thanks for allowing us to serve!

In Loving Service – Marcetta J.

I'm Jee and I'm an addict. My clean date is April 16, 2012. I have a home group a sponsor that has a sponsor, and I work the steps. My homegroup is Speakers + Stories. I currently am the G.S.R and treasurer for my homegroup and am working on becoming a member of H.A.L. My second business meeting will be Nov. 17, 2018.

I am a firm believer in doing service @ all levels and would like to further be involved in area service.

Thank you,
Jee D.

December 9th, 2018

I am an addict named Sue Q

I have been blessed with the H and I subcommittee's support for this position through 2018, and am overwhelmed with the support and the committee's recommendation for H and I Chair for 2019.

My clean date is April 13th, 2011;

I have a powerful home group which has supported me (and all of its members) in service;

And I am working with a sponsor who has a sponsor to more fully understand and incorporate the 12 Steps, Traditions, and Concepts into my life.

I have been involved with the H and I subcommittee since July of 2011: have held panel positions at multiple local facilities and have completed or exceeded my commitment with each of them.

I have served as H and I Secretary, Vice Chair and now Chair for 2018, and look forward to another year of working together with the H and I members to spread the life-saving message to the best of our abilities in the Rochester Area of Narcotics Anonymous.

I am grateful for the Area's support in my recovery and my service commitments:

Thank you for this opportunity to continue to serve by continuing to carry the message of hope in Narcotics Anonymous

With love and gratitude,
Sue Q

12/9/18 Area Chair End of year Report

I'm, an addict, name Johnny C.

I would like to thank the GSR's, and the area for allowing me to be of Service.

To be of Service is a honor and privilege.

Over the last year we have seen our Literature Committee grow; they are able to become an asset to the area. Most of the year we have had several area positions open. ~~Not~~ Hopefully we can get some addicts to step up an ^{be of} Service.

Please Remember that Diversity is our Strength.

In Loving Service
Johnny C.

Vice Chair Report:

I would like to thank the activities committee for the holiday speaker jam and all the hard work that goes into putting on a multi-day event. I hope they receive the areas support for the next event later this month. I would like to thank the groups of the Rochester area for allowing me to serve in this position the past two years. It's been a learning experience for me and one that's allowed me to grow in my recovery process. Being a trusted servant is an honor and privilege and I hope others will join sub-committees that serve our area. We need each other to continue to carry the message to the addict who still suffers.

In Loving Service

Chris J

Hello

Literature today sold \$883.44 to the groups, gave \$118.00 to H and I. Two years ago, when I was elected Literature chair, literature was a drain on the area requiring money from area so it could fulfill H and I subcommittees orders and wasn't able to fulfill all the home group orders. With the help of a great subcommittee we implemented the use of Quickbooks to track inventory and literature orders. With financial help from area we were able to build the literature inventory so we could fulfill the home groups and any subcommittees order. Through a lot of hard work over the last two years literature went from drain on the area to self-supporting and donating money to area. As a result to the committees hard work most of the home groups that were order literature from other sources came back to area to order their literature. I would like to thank everyone on the subcommittee who has help with literature over the last 2 year as we could not have come so far without their support and hard work. I would like to thank the area for allowing me to serve in this roll and would like to thank Kyle for his work this year as vice chair and wish him the best with his new position as the literature chair.

In loving service

H and I Chair Report December 9th, 2018

I have searched my heart, spoken with the H and I Committee and discussed this at length with my recovery support network: the committee continues to support me for the 2019 Chair, and I am accepting that nomination today.

I feel strongly about carrying the message of hope through this committee's work, and believe that we, together, can strive to reach even more addicts, more effectively, and I am grateful for the chance to serve in this capacity for another year.

I will give my qualifications at the general meeting of the Area today.

We have established presentations in place which are going well, but are still in need of NEW members to help us effectively rotate service commitments and expand our reach.

Please search YOUR hearts, and talk within your support networks and home groups, to see if this is something that you can add to your own recovery programs.

I am ever grateful for the opportunity to serve, and I wholeheartedly believe in NA and all of us!

Much love,
Sue Q.
