Asking if an Area Officer can hold a sub-committee Chair position as well?

- An Area Officer can only hold one "Officer Position" (see roll call list); however they can hold a non-Area Chair position (one that is not voted in by the Area).
- For example: The Alternate Treasurer of RASC Area can also hold a Treasurer Position in RACNA or a Secretary position of H&I since they are voted in by the sub-committee members, not Area GSR's.

Question: How do we get a 501c3 ?

Answer: NA World Service holds a nonprofit status as a 501c3. We fall under There umbrella. I will also check to see if we could use the 501c3 on our PayPal account (Rich E.)

The International marathon meeting ID 4949655895 has a new password 1953.

Possible New date for World Convention 2022. This would be a 1 time change and would not affect the other future dates.

Phone and website usage is up

There is a secret group that you must be invited to but this is not an official group.  
We need to vote on separating Pr and tech.

## RCM YEARLY REPORT 2020

Because of Covid-19 we only had one in person meeting after that all meetings were cancelled until we started using zoom which is how we continue to have Regional meetings.

We did not ask for any money from The Area this year.

We made up GSR/RCM orientation packets and we did 2 GSR/RCM workshops.

Re: Activities Sub-committee report

Hello Family,

The 2021 Activities Sub-committee will be meeting as a committee the first Saturday of each month @ 10:00 am. Whether the committee will be meeting via Zoom or physically at 2009 Dewey Ave. will be determined in the near future. We may possibly be offering a dual Zoom/ Physical meeting format. A flyer has been posted on the N/A Website. The first Activities meeting will be focusing on the following:

- 1) Nominations and election of 2021 positions and officers.
- 2) Activities and Events that the committee would like to put on for the year.

As stated in my qualification letter submitted at the November Area meeting due to the times we are in regarding COVID-19 there may be a hold on any events as everyone's health and safety in of highest priority, as well as, adherence to local and state regulations and guidelines.

In conclusion, selecting officers and forming the committee may be the only order of business the committee will be able to do in first few months. Building the foundation for a strong committee is very important in the Activities committee having aa successful 2021 year. As I've said right from the beginning is a key to the committee's success is putting as strong as team as possible.

Thank you for allowing me to Serve,

Steve W., Activities Chair

Re: Activities Sub-Committee ~~2019~~ Year-End Report  
2020

Hello Family,

Due the Covid-19 pandemic Activities sub-committee was unable to conduct many of the activities that were planned. The committee, in conjunction, with the Area RCM, and Alt. RCM were able to host GSR Workshops in March 2019 and another in Nov. 2019 in accordance to the 2020 Area's By-Laws. It was agreed at the Nov. 2019 Area mtg. that the committee would forego hosting a "Trusted Servants Workshop". 2020

Lastly, an updated inventory of the committee's supplies is currently being done and will be forwarded to the Area secretary. All supplies are being stored by committee chairperson.

Thank you for allowing me serve,

Steve W., Activities Sub-Committee Chair

**H and I Chair Report  
YEAR END 2020**

The H&I Committee has had as successful a year as possible in 2020, despite the ever changing situation that the year has brought and the unbelievable circumstances we all find ourselves in. The committee carried out our fifth tradition and this committee's primary purpose as best we could, to carry the message to the addict who stills suffers.

As chair, I proposed cancelling the October H&I Learning Day this year because I felt that support for the event would be because it had to be held virtually and, as it was my responsibility as chair to organize the event pursuant to the guidelines, I didn't think it would be successful. I consulted with members from another committee on this decision and received some similar feedback. The committee was split on the decision but ultimately voted to cancel the event.

H&I has ten panel members in place and all panel positions are currently filled. Officers have been voted into all positions for the upcoming year and the committee is ready to move forward.

Reviewing the year from a budget perspective, H&I submitted a 2020 budget for literature in the amount of \$2700 or \$225 per month. I estimate that the committee used \$450 of this literature budget plus \$89.94 in zoom fees for a total expenditure of \$539.94. The literature estimate is based on the fact the presentations were held in person in January and February of this year. The remainder of zoom costs were donated by H&I members as was reported throughout the year.

The 2021 budget will be discussed at the upcoming business meeting and will include costs necessary to operate virtually for as long as necessary, with both the presentations and the monthly business meeting (they are separate), and an estimate of literature needs.

As the year wraps up, I am grateful to all of you. I have learned so much as chair this year. I have confidence in the 2021 H&I officers, panel members and committee going forward and look forward to remaining a part of the important work it does for addicts in the Rochester area. Thank you.

With love, gratitude and respect,  
Nancy S.

RACNA 26  
Chairman's Report  
December 12, 2020  
And  
Annual Report

Hello Family,

The pandemic continues to frustrate all areas of our committee. Our air frier raffle will be drawn at the January Area meeting. Tickets are still being sold by committee members and on web site. Our checking balance is \$5,937.15.

To remember, a one year commitment became a two year commitment when a hotel closed. Now a pandemic has added another year. This has stressed out all of us. Given the pandemic makes most events impossible and virtual events are not supported, we voted to shut down the committee until June, 2021 with a check in in March. In June, we will hopefully be refreshed and start again.

To remind everyone the last several RACNA's only made a profit because the hotel had problems, which caused them to credit us for the inconvenience. So my fellow addicts, RACNA puts on the convention and events to raise funds for it. It is the support of all us addicts and groups that pays for the convention. And for the last several years there was not enough support. Now with the pandemic interference we will need the most support ever.

In loving service,

Randy V.

RASC  
December 12, 2020

To RASC and RACNA 26,

Our decision to put RACNA 26 on pause until June started me thinking about commitment. One year as vice chair and another as chair is a long commitment. I have loved being part of the RACNA family, getting to know and work with lots of recovering addicts. Commitment is something recovery has given to me. Another is being a son. My parents are 95 and 92, and 18 months is a long time. They have dementia and failing health. I have been their caretaker for several years and realize it's only going to demand more time. I'm also responsible for there estate. So I have decided to put my focus on my parents and I am resigning as chairman of RACNA 26.

In Loving Service,  
Randy V

Hello all,

As I look back on my last two years as the Chair for the Literature Sub-Committee I am proud of the work that we have done to continue to help carry the message to the addict who still suffers through distribution of NA approved literature. I want to thank everyone who has volunteered their time to the subcommittee; it is only through their support that we are able to show up and perform our important task every month. Many of the members have been involved for more than a decade and their experience and dedication have made it a pleasure to be a part of this Sub-Committee.

In my time as chair we have made some improvements to our process to help with inventory accuracy including adding a new check-in process for incoming orders from NA World Service. I know that 2020 has been a very trying year and we have only been able to open the Literature Store four times over the course of the year. In spite of these restrictions, I have done my best to continue to provide people with essential items for their open home groups and member anniversaries whenever I have been asked. I am hopeful that 2021 finds us back with some level of normalcy, but as they say, "more will be revealed".

As we welcome the new incoming Chair for the subcommittee, I want everyone to know that I will make myself available to introduce him to our current system and support him as he gets acclimated to his new responsibilities. While Joe does not have exposure to the Sub-Committee, I am confident that he is a great choice to continue our important work.

Literature Sales and Donations for the 2020 calendar year totaled \$2,923.00. A breakdown of these sales can be found on the attached PDF summary report from QuickBooks. The literature subcommittee meets at area on the Second Sunday of the month at 11:00AM. Literature Store Hours are 12:30PM until 2:30PM with NO ORDERS accepted after 2:30PM.

In loving service,  
Kyle P

### THIS MOTION IS A :

(See page 8 & 9 of GSR Orientation packet for when to present a motion to the group)

TEMPORARY MOTION       STANDING MOTION       BY-LAW AMENDMENT

The motion reads as follows: We are presenting contracts for RACNA 26

to be held at RIT Inn & Convention Center for 2021 and 2022. RACNA 26

supports the contract for 6/2022. If the 2022 contract is accepted,

this would eliminate a convention for 2021. RACNA 26

would then carry over to 2022's convention year,

Intent of this motion: For the groups to choose a contract that will allow the RACNA 26

committee to raise and use 7th Tradition contributions prudently.
